

# PROGRAM

EVENT	TIME	LOCATION	ACCESS
<b>SUNDAY 20 MAY</b>			
3rd IC#1 deep-dive Workshop DAY 1	09.00 - 17.00	Quality Hotel TM View	Invite-only
<b>MONDAY 21 MAY</b>			
3rd IC#1 deep-dive Workshop DAY 2	09.00 - 17.00	Turning Torso	Invite-only
Scientific workshop "Transition to a low carbon society"	09.00 - 17.00	Lunds University	Invite-only
Nordic Energy Experience 2018	10.00 - 17.00	EnergyHub Nordhavn	Open
Capacity Building & Training to Enable Transformation to Solar Energy	11.00 - 12.00	Media Evolution, Malmö	Open/register
Site visit at a Nuclear Power Plant - Barsebäck - in decommissioning state	13.00 - 17.00	Barsebäcks Kärnkraftverk	Invite-only
EE Global Forum	13.00 - 17.30	UN City	Invite-only
What's the point of a bus stop when the bus isn't there?	14.00 - 16.00	Media Evolution, Malmö	Open/register
Nordic Clean Energy Week - Opening Reception	17.30 - 19.00	UN City	Open
<b>TUESDAY 22 MAY</b>			
EE Global Forum	08.00 - 19.00	UN City	Invite-only
Arena: Smart Grids - Unlocking the renewable energy future	08.00 - 17.00	Studio	Open
Arena: Sustainable Heating and Cooling	08.00 - 17.00	Studio	Open
International Conference on Negative CO2 Emissions 2018 (May 22 - 24, online-conference)	08.30 - 17.30	Online-conference	Open/stream
The Heat Pump. A Swedish Success Story - To be continued!	08.30 - 09.15	Studio	Open
National Stakeholder Coordination Group on Smart Energy Systems for the Energy Transition	09.00 - 16.00	Studio	Invite-only
NCEW Festival for Students	09.00 - 16.00	Studio	Open
Enhancing national and international data on government and private sector RD&D spending	09.00 - 17.00	Malmö Live	Open
Bridging the Gap Between Greentech R&D and Commercialization	09.00 - 17.00	Nordens Hus	Invite-only
Clean Energy Materials - Mission Innovation Workshop	09.00 - 17.30	Malmö Live	Invite-only
Cleantech Capital Day	09.00 - 17.00	Malmö Live	Invite-only
Trends and Challenges in Maritime Energy Management	09.00 - 13.00	World Maritime University	Open
How to do Clean Energy Business in China – Challenges & Opportunities	09.00 - 12.00	Malmö High Court	Open
Creating a fossil free energy district	09.15 - 10.00	Studio	Open
Accelerating innovation for local energy grids	09.15 - 10.00	Studio	Open
Site visits x 3, May 22, 23 & 24, arranged by City of Malmö	09.30 - 15.30	Site visits	Open/register
Clean Energy Investment Forum	09.30 - 16.30	House of Industry	Invite-only
Clean Energy Hack	10.00 - 22.00	DTU SkyLab	Application
3rd Mission Innovation Smart Grids Workshop	10.00 - 16.30	EnergyHub Nordhavn	Open
Nordic Energy Experience 2018	10.00 - 17.00	EnergyHub Nordhavn	Open
Student activities x 4 in Malmö, May 22 & 23	09.00 - 17.00	Studio	Open
French-Swedish Strategic Partnership for innovation and green solutions	10.00 - 12.00	Malmö High Court	Invite-only
Electric mobility and charging infrastructure in Nordic cities	10.00 - 12.00	Malmö Börshus	Open/register
Challenge driven battery research for cost and resource efficiency	10.00 - 17.00	Malmö Börshus	Invite-only
Digitizing grids - why it will change your way of living	10.15 - 11.00	Studio	Open
Building the world's largest low temperature district heating network	10.15 - 11.00	Studio	Open
Emission Free Transport – Blue Move Final Conference	11.00 - 16.30	Malmö Börshus	Open/register
Sustainable investments and finance – from green to social in the city of Malmö	11.00 - 17.00	Scand. Green Roof Institute	Invite-only
Battery storage: transforming the power landscape	11.15 - 12.00	Studio	Open
Decarb Heat and Cooling with innovative solutions	11.15 - 12.00	Studio	Open
Nordic Energy Ministerial Meeting	12.00 - 15.00	Lund Stadshuset	Invite-only
Early Adopters, Disruptors and the Energy Transition	13.00 - 17.00	Malmö High Court	Open
Making low-carbon heating and cooling available for everyone	13.00 - 13.45	Studio	Open
Arena: The role of Cities & Regions in the Energy Transition	13.15 - 15.00	Studio	Open
Developing Local Energy Communities	13.15 - 14.00	Studio	Open
How can you change your city?	13.15 - 15.00	Studio	Open
Enabling Market Design - an easy win, a winding road or a mix?	14.15 - 15.00	Studio	Open
Decarbonizing heating and cooling - Sustainable and Smart Solutions for Clean Air	14.15 - 15.00	Studio	Open
Fully Electrical 27t Truck	15.00 - 18.00	IDA	Open
Law and policy as barriers and driving forces for sustainable energy	15.00 - 16.30	TBA	Open
Speeding up for change - transnational collaboration on smart grids	15.15 - 16.00	Studio	Open
Saving 50 gigawatts every year with heat-transfer technologies	15.15 - 16.00	Studio	Open
Replication of innovative and affordable solutions in cities – the CELSIUS key	15.15 - 16.00	Studio	Open
Innovation in District Heating and Cooling - Possibilities to solve urban societal challenges	16.00 - 16.45	Studio	Open
What now? - Policy messages to ministers on smart grids	16.00 - 17.00	Studio	Open
Transport & guided tour with electric bus to the Opening Ceremony of M13/CEM9	17.15 - 17.30	Studio to Malmö Live	Open
Opening Ceremony M13/CEM9	17.30 - 19.00	Malmö Live	Invite-only
<b>WEDNESDAY 23 MAY</b>			
Advance Power Plant Facility Campaign (APPF)	07.00 - 18.30	Energinet	Registration

Mission Innovation	08.30 - 15.30	Malmö Live	Invite-only
Sustainable Urban Solutions	08.30 - 18.00	Odd Fellow Palace	Open
Cities Research & Innovation Convening	08.30 - 13.00	Old City Hall/Rådhuset, Malmö	Invite-only
Arena: Smart Industry	08.30 - 16.45	Studio	Open
Accelerating the deployment of clean fuels	08.45 - 10.15	Malmö Börshus	Open
Arena: The role of Cities & Regions in the Energy Transition	08.45 - 16.45	Studio	Open
Arena: Green Mobility	08.45 - 17.00	Malmö Börshus	Open
A Workshop of the Nordic Public-Private Collaborative Platform for Climate Finance and the Project	09.00 - 16.30	Nordic Council House	Registration
EnergyLab Nordhavn – Learnings from a living lab	09.00 - 12.00	EnergyLab Nordhavn	Open
Enhancing national and international data on government and private sector RD&D spending	09.00 - 12.00	Malmö High Court	Invite-only
The role of SDG 7 in transformational pathways toward a sustainable future	09.00 - 17.30	UN City	invite-only
Intelligent market design – boosting global smart grid deployment, day 1	09.00 - 16.00	Malmö Live	Open
NCEW Festival for Students	09.00 - 16.00	Studio	Open
Innovation competition for zero emission - accelerating new business opportunities	09.00 - 09.45	Studio	Open
Making sustainability visible and doable	09.00 - 09.45	Studio	Open
Accelerating the development of sustainable value chains for batteries in Europe	09.00 - 13.00	Malmö High Court	Invite-only
Cleantech Capital Day	09.00 - 16.00	Malmö Live	Invite-only
Clean Energy Hack	10.00 - 18.00	Odd Fellow Palace	Application
Vehicle exhibition	10.00 - 15.30	Bagers plats, Malmö	Open
Smart industry through circular economy	10.00 - 10.45	Studio	Open
Smart Sustainable Cities	10.00 - 10.45	Studio	Open
Nordic Energy Experience 2018	10.00 - 17.00	EnergyHub Nordhavn	Open
Charging the future with e-mobility	10.30 - 12.00	Malmö Börshus	Open
Is Scandinavian know-how the key to fossil freedom? + Lunch	11.00 - 13.00	Studio	Open
Agenda 2030, Communication and challenges	12.00 - 13.30	Studio	Open/register
Collaborating for the next generation Urban Mobility	13.00 - 13.45	Malmö Börshus	Open
Accelerating sustainable urban district renewal	13.00 - 13.45	Studio	Open
Fossil fuel subsidies, public finance and leveraging investment for sustainable energy via SWAPs.	13.00 - 14.00	Nordic Council House	Registration
Speeding up for change	13.00 - 17.00	Malmö High Court	Open
Baltic Sea Offshore Wind Energy Grid 2035 - Grid design and case studies results	13.00 - 16.00	DTU Campus	Open, registration
Clean Energy Investment and Avoiding Transition risks	13.00 - 16.00	Danish parliament, Christiansborg	Invite-only
Site visit: Swedish Lightning Challenge	13.00 - 17.00	Malmö & Lund	Open, registration
Moving towards fossil free steel: HYBRIT	14.00 - 14.45	Studio	Open
Increasing competitiveness of Swedish industries by becoming fossil free	14.00 - 14.45	Studio	Open
From problem area to urban role model using BID	14.00 - 14.45	Studio	Open
Launching an innovation contest for sustainable mobility	14.00 - 14.45	Malmö Börshus	Open
Energy Efficiency as smart building approach	15.00 - 20.00	CPH Int. School/BLOX	Invite-only
Driving change towards clean and climate friendly transports	15.00 - 17.00	Malmö Börshus	Open
Possibilities for public cleantech export	15.00 - 15.45	Studio	Open
One Planet City - future urban ambassadors of cities	15.00 - 15.45	Studio	Open
Smart education and smart sustainable production for smart products	15.00 - 15.45	Studio	Open
Nordic industry – Punching above its weight on climate action	16.00 - 16.45	Studio	Open
Exploring the limits of solar power in a future sustainable city	16.00 - 16.45	Studio	Open
Video launch, mingle, drinks & networking for the Clean Energy Subsidy SWAP	17.00 - 19.00	Studio	Open
Site visit at Alfa Laval in Lund: Experience first-hand the power of heat transfer	17.00 - 21.00	Alfa Laval, Lund	Invite-only
Tour to Battery and fast charging installations	18.00 - 20.30	EnergyHub	Open
Hybrid Energy Systems Panel and Reception	18.00 - 21.00	Gl. Strand Art Gallery	Open
<b>THURSDAY 24 MAY</b>			
Mission Innovation Challenges Accepted - What's Next?	08.30 - 13.00	UN City	Open
Accelerating EU action on building renovation and finance through the revised Energy Performance of Buildings Directive	08.30 - 09.30	Danish Architecture Centre	Open
IEA HPT Annex 52 1st Experts Meeting	09.00 - 17.00	Studio	Invite-only
ERA-Net Smart Energy Systems Knowledge Meeting & Co-creation on "Regional Value Chains"	09.00 - 17.00	Quality Hotel TM View	Open
ERA-Net SES Steering Board Meeting	09.00 - 17.00	Quality Hotel TM View	Invite-only
Clean Energy Ministerial	09.00 - 16.00	Eigtveds Pakhus	Invite-only
Advanced Power Plant Flexibility Campaign Workshop on Campaign Results	08.30 - 10.30	Danish Ministry of Energy, Utilities and Climate	Open
KLIMA100 - Sharing Local Climate Solutions	09.30 - 17.30	BLOX	Open
4th Annual District Energy In Cities Partner Meeting	09.30 - 18.00	UN City	Invite-only
Perspectives on Smart Energy Storage Systems	09.30 - 10.30	Danish Architecture Centre	Open
Digital Round Table – Green ambitions and digital promises – a power couple of the future	10.00 - 15.30	Opera Foyer	Invite-only
Nordic Energy Experience 2018	10.00 - 17.00	EnergyHub Nordhavn	Open
Delivering sustainable cooling in a warming world	10.30 - 12.30	Strandgade 27b	Open
Power System Transformation: Case Studies from Brazil, China, India and Mexico	10.30 - 11.30	Danish Architecture Centre	Open
Clean Energy from the Oceans : Exchange of best practices	10.30 - 11.30	Danish Architecture Centre	Open
Technical Advanced Power Plant Flexibility Campaign Workshop on specific Danish power plant flexibility solutions	10.35 - 12.15	Danish Ministry of Energy, Utilities and Climate	Open
Intelligent market design – boosting global smart grid deployment, day 2	11.30 - 12.30	Danish Architecture Centre	Invite-only
Sustainable Future Energy Systems - smarter, integrated and CO2-negative	11.30 - 19.00	Aalborg University Campus	Open
Flexible Energy Systems for high penetration of RES – Society Scale Demonstrations	11.30 - 12.30	Danish Architecture Centre	Open
ISGAN Award Ceremony	12.30 - 13.00	Danish Architecture Centre	Open
How to get a 100% renewable energy system?	12.30 - 17.30	UN City	Open

Perspectives for Offshore Wind Energy	12.30 - 14.00	Danish Architecture Centre	Open
Cycle Highway Academy	13.00 - 18.00	The Technical- and Environmental Administration	Open
Launch of the Initiative on Nuclear Innovation, Clean Energy Future (NICE Future)	13.30 - 14.30	Danish Architecture Centre	Open
Waste-to-Energy - The Amager Bakke/Copenhill project	14.00 - 18.00	EnergyHub Nordhavn	Open
Sustainable Cities and Eco-energy Towns: Technologies and Future Perspectives	15.15 - 16.15	Danish Architecture Centre	Open
From Global To Local Lighting Challenge	14.00 - 15.00	Danish Architecture Centre	Open
Corporate Sourcing of Renewable Energy	14.45 - 16.00	Danish Architecture Centre	Application
Mobilizing cities to scale up electric mobility for the clean energy transition	15.30 - 16.30	Danish Architecture Centre	Open
Launch of the Initiative on Carbon Capture, Utilisation and Storage	16.10 - 17.10	Danish Architecture Centre	Open
Energy Infrastructure Forum	16.00 - 19.00	Eigtveds Pakhus	Invite-only
Research in energy storage at DTU Energy and examples of practical use	16.00 - 18.00	EnergyHub Nordhavn	Open
Launch of the EQUAL by 30 Campaign for a Gender-Diverse Energy Sector (C3E)	16.30 - 17.30	Danish Architecture Centre	Open
Bioenergy – What are the possibilities and trade-offs? A Climate-KIC Sparks Lecture	18.30 - 20.30	Studio	Open, register
<b>FRIDAY 25 MAY</b>			
Energy Infrastructure Forum	08.00 - 16.00	Eigtveds Pakhus	Invite-only
Cycle Highway Academy	08.30 - 15.30	Europe-comission	Open
Creating a shared language for smart energy - to accelrate green transition	09.00 - 10.30	EnergyHub Nordhavn	Open
Gate 21 Mayor's Summit	09.00 - 13.00	BLOX	Invite-only
ERA-Net Smart Energy Systems Knowledge Meeting & Co-creation on "Regional Value Chains"	09.00 - 12.00	Quality Hotel TM View	Open
ERA-Net SES Steering Board Meeting	09.00 - 12.00	Quality Hotel TM View	Invite-only
IEA HPT Annex 52 1st Experts Meeting	09.00 - 17.00	Studio	Invite-only
Nordic Energy Experience 2018	10.00 - 17.00	EnergyHub Nordhavn	Open
Future Opportunities for Danish-Korean RDI Collaboration and Commercialization	10.00 - 17.00	Ministry of Higher Education	Invite-only
The largest electric car rally in the Nordics	10.00 -	Helsingør/Helsingborg	Invite-only

Denmark  
Sweden  
CEM9/MI-3
